MARION, CRITTENDEN COUNTY, KENTUCKY, July 28, 1910

NUMBER 6.

THE FIRST CONTEST COUNT

Was Made Saturday Afternoon
Miss Addie Maynard Winning
the \$10. Gold Piece.

The first count in the Great Record-Press Prize Contest was made in the counting rooms of the Marion Bank on Saturday afternoon, July 23 by Messrs J. H. Orme, Jeff D. Asher, and Senator P. S. Maxwell, revealing the fact that Miss Addie Maynard had won the Ten Dollars in Gold, the same being presented to her by Senator Maxwell from the front door of the Bank at 4 o'clock in the presence of a number of people.

Never has such interest been shown in any contest in our knowledge, even at the close, as this first month of ours.

Now is the time to get busy. The grand prize belongs to no one yet, as a girl just announcing could win as easy as any.

The thing to do is to get your friends to subscribe now and if you should fail to win the grand prize you have plenty of chances for others.

Listen at this: On Saturday August 27 a second \$10.00 in Gold will be given to the lady making the greatest increase between the first and second count. This you see could be won by a lady who has never announced.

Listen again, a second prize of 5,000 votes will be given on Saturday August 27th to the lady who makes the second greatest increase in votes.

Listen some more. To every one who brings in or sends us \$5.00 in subscription money from July 30th to August 27 shall receive a beautiful Silver N Butter Knife and Sugar Shell (Rogers)

You see you have a chance for ample remuneration if you but get to work. We publish the vote in this issue of the coupons, as returned to us by the Judges. Any town has just as good chance to win the Grand Prize as any other town.

The fight is on and the interest unabating and if you don't lose too much time you can win.

Remember the ballot box is in the Marion Bank and key in the hands of Cashier T. J. Yandell. Bring your votes and drop in the box. The Editor of the Record-Press has never seen inside of this box, nor had his hand on a ballot except those sent him by mail to deposit. The contest aside from handling the money is as much in your hands as his.

The premiums are all good and worth striving to win. Send in your dollars as fast as you get them so the parties if new subscribers, will benefit you with their coupons.

Don't forget the stores named in the page ad as every dollar spent with them gives you a coupon of 25 votes. One woman received fifty the other day from one of these stores.

THE OLD HURICANE CAMPGROUND

The Most Noted Place of Worship
in the State to be Opened on
Thursday, Aug. 25.

On Thursday, August, 25th the noted old Hurricane Camp-Grounds will be opened to the public for a period of ten days, closing Sunday, Sept., 4th.

The workers of the meeting are: Rev. J. J. Smith, Rev. R. H. Higgin, Rev. R. C. Love, with Rev. W. L. Shell to lead the singing.

All know of these Annual Meetings and Love-Feasts and the great good accomplished by them, many holding the Old Camp Ground as sacred as Jerusalem is to the Jews. And as the years go by the more the old spot is loved, perhaps because our precious old mothers and grandmothers loved it. Anyway there is something about the sacred old spot that draws the Christian to it and from the preparations being made for the coming event, if it does not prove the largest attended and best enjoyed in many years, there is nothing in signs.

Mrs. J. W. Johnson returned from a several days visit at Princeton.

WATCHMAN WHAT OF THE NIGHT?

Great Cloud Burst of Indignation
Sweeping the Nation. See the
Hosts on the Lord's Side

We, the undersigned, Republicans and Democrats, recognizing that present political organizations are divided in councils and paralyzed as agencies for good by the traitors to the cause of fundamental democracy who have seized and now hold positions of power in each of our respective parties, from which it seems impossible to dislodge them, and filled with the faith that public opinion has now developed intelligently enough and far enough so that a party of progressive principles can unite the progressives of all parties and sweep the nation, thus carrying forward the flag of progress to its last and most blessed position of industrial freedom for all men under the simple slogan of Democracy vs. Plutocrat, do hereby issue this CALL FOR A PROGRESSIVE CONVENTION

We invite all men of all parties who desire to confer on the matter of forming a New Party, based on the Rooseveltian principle of THE SQUARE DEAL, which is only another way of stating the Bryanite principle of EQUAL RIGHTS TO ALL AND SPECIAL PRIVILEGE TO NONE, to meet on September 1, 1910, at that great central convention hall, the Auditorium, in Kansas City, Mo., there to deliberate in mass convention on the question of uniting the Progressive Democratic and Insurgent Republican opinion of the nation, as well as all other opinion in sympathy with these, in a New Party, national in scope and radically progressive in platform.

In witness whereof, we the undersigned Republicans filled with the republicanism of Lincoln, and Democrats strong in the democracy of Jefferson, have hereunto subscribed our names, for ourselves, for those who agree with us, and for the cause of righteousness.

THE GREAT UNION COUNTY FAIR

Gates Will Swing Open on Tuesday August 9th Giving Five Days of Real Pleasure

For a number of years the officers of the Great Union County Fair Association have been credited with giving the best fair in all the Fair Circuit not one having even come near the failure mark. There are many reasons given for this wonderful success: the personnel of the company, the richness of Union county in lands, adopted for a diversity of crops, for the great number of fine stock and poultry farms and lastly, the location of the beautiful grounds at one of the best towns in Kentucky, on the Ohio, just above the mouth of the great Wabash river separating Illinois from Indiana. All these are good reasons why this Fair has always proven a success.

The Association has made arrangements for a special train returning from the fair each day as far as Princeton and with the attractions this year so far in advance of any previous year their efforts to have the best fair in the state is expected to be crowned with success.

His farms were all stocked with the best registered stock to be had of horses, mules, hogs, cattle, and sheep and it has been said by those in a position to know, the best stocked farm in Western Kentucky.

"Sure Cure"

"I would like to guide suffering women to a sure cure for female troubles," writes Mrs. R. E. Mercer, of Frozen Camp, W. Va. "I have found no medicine equal to Cardui. I had suffered for about four years. Would have headache for a week at a time, until I would be nearly crazy. I took Cardui and now I never have the headache any more."

Take CARDUI

The Woman's Tonic

The pains from which many women suffer every month are unnecessary.

It's not safe to trust to strong drugs, right at the time of the pains.

Better to take Cardui for a while, before and after, to strengthen the system and cure the cause.

This is the sensible, the scientific, the right way. Try it.

A GREAT DAY AT HILLS CHAPEL

Methodists from all Parts of Crittenden and Adjoining Counties Spend A Happy Day

On last Thursday morning, people, and especially Methodist, from all parts of the county, commenced to congregate early at Hills Dale, known for many years as Hills Chapel, named in honor of Bro. J. W. Hill, one of the most saintly men it has been our pleasure to know.

The day proved an ideal one, with not one single feature to mar the enjoyment of any, and notwithstanding the hay season and wheat threshing was on there were present to enjoy the good time, upwards of a thousand people.

Responsible for what has proven the greatest day in Crittenden County Methodism, is to be credited to J. N. Boston, C. S. Nunn, H. A. Haynes, T. H. Cochran, Chas. Donekey, C. W. Love, Bob Franks, T. T. Guess, Rev. Billy Joel Hill, Rev. J. B. Adams, Rev. R. C. Love and a number of other Methodists throughout the county, who in a meeting early last spring conceived the idea of a great Reunion and feast at one of the oldest and most sacred spots in the county to whom for the success of the occasion and the great good that it did and will ultimately do the whole church and all present are deeply grateful, for surely God lent his presence on that day.

After some splendid music by the young ladies of Marion, the male quartette and the Methodist church orchestra of Marion, a welcome by good Bro. Billy Joel Hill, reading of a scripture lesson and invocation of God's blessing by Rev. R. C. Love, of Tolu, Prof. W. H. Pritchett, of Louisville Training School was introduced and for an hour held his large audience spell-bound on the great question of "Place and Responsibility of our Laymen."

Prof. Pritchett made plain the necessity of the laymen and duty of the laymen to their churches. He is a thoroughly educated gentleman and forceful speaker. At the close of this splendid address Bro. Billy Joel Hill announced that dinner would soon be ready and while waiting for the good women, who had prepared so many good things for the occasion, to spread them, the orchestra rendered several soul inspiring selections.

One hour and a half was given to feasting and social conversation, and O, bless the Lord, what a feast. Everything that man ever heard of and that a good housewife ever prepared, was spread freely before the multitude and they partook with a relish. It was one of the greatest feasts in the history of the oldest inhabitant. And after all were satisfied there was found to be enough old country ham, chicken, bread, cakes and all kinds of dainties to feed twice as many more. Most of the Marion people, regardless of the church they belonged took well filled baskets, but there would have been and abundance if they had not done so, for truly the Hills Chapel people had prepared more than enough for twice as many and of quality surpassing anything we ever saw. And as Uncle Billy Joel bade the throng welcome the Holy Ghost seemed to have come down to doubly bless the sacred occasion.

After the crowd had congregated in front of the speakers stand and listening to several selections by the orchestra and quartette, W. B. Stubbs, of Nashville, Tenn., Secy., of the

Laymens Missionary movement of the M. E. church South, was introduced, who, for two hours in a plain, straight forward and dignified way made plain "God's Plan of Financing the Church." Bro. Stubbs made one of the plainest and most convincing talks on this subject, which embraces the great plan of Mission, we ever heard—so plain and convicting that we venture there will be less trouble in collecting the pledge to the preacher and nearer the "tenth," set aside for the Lord than ever before.

The speaker said a man's money was himself and that God never condemned a man for being rich, for Abraham, Isaac, Jacob, Job, David, Solomon and many others in high recognition by God, were rich, but that God did hold him accountable for what he done with it, for at last it was God's as much so as his own being.

While his address was lengthy every body was deeply interested and at the close seemed willing that he might continue. That much good was to come of it was beaming out full in every countenance and the hearty amen's at the close was a guarantee that God's blessing was being invoked on one so earnest and honest in his work.

Bro. C. S. Nunn was highly complimented as Master of Ceremonies and so well did he act his part in looking after others that he lost his own place on the program as did Bro. J. B. Adams.

The whole day was spent so pleasantly that when another such a gathering is called there will not be hitching room found for the horses.

After the rendition of "Home Sweet Home," by the orchestra and singing of "God Be With You 'Till We Meet Again," by the whole congregation the benediction was pronounced the vast crowd departed for their home, praising the Lord, Bro. Hill, and all the noble, generous, great, big hearted Christian people of the Hills Chapel country.

RE-UNION NOTES

If Uncle Billy Joel Hill don't make it through to Heaven there is mighty little show for the rest of us.

Good Bro. Oakley of the C. P. church was a Methodist for once in his life. He was there and as happy as any of them.

Bro. Jas. F. Price, of the Presbyterian church was there as a witness to the good time enjoyed.

James Travis; Geo. M. Crider, W. L. Shell and J. L. Shrode were recipients of many compliments for the beautiful renditions of "Rocked in the Cradle of the Deep," "The Land Where The Sun Never Goes Down," and other beautiful selections as a quartett.

Praise was heard to fall from nearly every lip for the good music by the Methodist church orchestra consisting of Mrs. W. O. Tucker at piano, James Travis, cornet; W. O. Tucker, clarinet, W. L. Shell, violin, J. L. Shrode, flute and E. R. Lamb, base horn. Mrs. Tucker presided at one of the fine piano's from Yates Bro. Music Rooms, put on the grounds at their own expense.

Bro. J. L. Elder, Cashier of the Salem Bank was there with his good wife and family. Bro. Elder is a good man and we believe he has God as his partner in his bank.

Bro. Hogard was there and while he is on the superannated list, having lost strength and hearing to a great extent his religion is strong enough to enable him to walk the waters of the last dark river without a tremor.

The Crittenden Record-Press

N. E. CALMES Editor and Publisher.

Entered as second-class matter, February 28, 1879, at the postoffice at Marion, Kentucky, under Act of Congress of March 3, 1879.

One Dollar the Year in Advance.

Roosevelt will be the next President, W. J. Bryan Vice President and Ollie M. James Secretary of State "Hear it" As uncle Billy Joel Hill says.

The old Reliable Record-Press, notwithstanding it is all home print, is not big enough to hold our business, a number of letters left out this week. Bear with us as we are trying to please all of you and give you the best paper in Kentucky. Even two page adds were turned down this week, that will appear next week. Help us with your good will, you can't afford to get mad at us when we are doing our best to be your friend.

We see our old home county is having her blessings as well as troubles. While her rich lands are yielding from 20 to 46 bushels of wheat to the acre, the Morgangeld jail was broken last week, three prisoners making their temporary escape, a prominent physician, Dr. J. P. Bishop of DeKoven is under bond awaiting his examining trial charged with criminally assaulting the 13 year old daughter of Jake Syers, and death is stalking through the country at a fearful gate.

There was a day easily in the recollection of the man fifty years old that the traveling salesman who could drink the most liquor could sell the most goods, and of course command the highest salary. But the world is becoming wiser and today the tables are turned, the salesman drinking liquor attal is not wanted with the lowest possible estimate on his services. This is right as whiskey and business were never intended to go together.

Those that would gladly thrust on the people the evil that is responsible for more sorrow,

blighted more lives and caused more deaths and murders than all else in the world would have us believe that our towns are growing up in weeds with no pavements for our streets, which to the contrary, every town minus the saloon evil has more money to cut weeds and pave streets than the town with the saloon. And it is clean money, wrought by honest toil. Who, for God's sake would want to walk on a pavement put down at the expense of the mothers, wives and precious children of our towns. Think you that their faces would not shine up through the finest concrete, brick or marble until you would rather walk a hog path nine miles through a briar patch than tread a single square of it? Ay, you know you would if you love your neighbor as you do yourself and respect his family as your own and if you do not you are not the man you ought to be and your reward is ready to be handed to you on that day.

POSTAL SAVING BANKS

The republican administration has kept its pledge and established a postal savings bank. The bill is faulty in some respects and certain provisions are fraught with danger, but it could hardly be expected that the party now in power would frame a bill entirely for the benefit of the masses. Whenever it attempts a reform is apt to mix in so much that is for the benefit of the financiers as to reduce very much the value of reform. But the postal savings bank is established, and the principle embodied in it is an important one. The republican party confesses that after sixty years of power only broken at rare intervals it has given us a system of banks that are insecure. The only excuse for a postal savings bank is the need of security. The national banks are not secure enough, and the republican party saw no way of making them sufficiently secure, so it did the next best thing, it embarked the government upon the banking business. The democratic party asked for the guaranty of deposits first and for the postal savings bank as an alternative in case the guaranty bank could not be secured.

The bankers opposed both plans but were not able to overcome the tremendous sentiment in favor of greater security. The banks ought to learn something from the establishment of the postal saving bank. They ought to know by this time that as the postal savings bank came into existence because of the unwillingness of the banks to protect their depositors, so it will continue to grow unless the banks adopt some method of securing the depositor against possible loss.

The democrats should rejoice at the establishment of a postal savings bank, first because it increases the security of depositors, and second because it can be used as an object lesson to convince bankers that something must be done for the protection of ordinary depositors. We should now go ahead and correct the faults of the postal savings bank law. We should limit the very large discretion given to those in charge, a discretion which may be used for the consolidation of the deposits in great centers, and we must insist upon the enlargement of the scope of the law to meet needs that have not yet been sufficiently considered. Trust funds for instance should be given access to the postal savings bank. The executor, administrator or legal trustee who holds funds in trust should be permitted to use the postal savings bank for the protection of his ward. The small merchant should be given a chance to protect his bank account, and there is no reason why so low a limit should be placed upon the amount that the individual can deposit. The law does not go far enough. Let us rejoice at the advance thus made and go forward to give the law a larger usefulness.

Washington, July Representative Ollie James, of the First Kentucky district, has returned from Kentucky enthusiastic over the Democratic outlook for the control of the next House.

"I believe we will control the Sixty-second Congress by an overwhelming majority," he says, "We expect to gain two Democratic Congressmen in Kentucky. The Democratic party is in the first fighting kel-

ter and it looks to me as if nothing can beat us."

"President Taft's administration has been a ponderous failure," added Mr. James. "On the eve of the approaching campaign we find the Republican party divided as it has not been since the days of Garfield and Conklyn. Broken pledges and betrayed promises confront a distracted and fleeing Republicanism on every hand. The increased cost of living is due primarily to the Payne tariff bill, together with the trusts and monopolies which are fostered by the party in power and which are enabled to rob the producer of what he has to sell and with a like brutality the consumer when he has to buy."

"But for the Democrats and insurgents in the House and Senate in their patriotic efforts in defeating many of the measures proposed by President Taft, the country would have been most securely bound and fettered by these great combinations. President Taft asked that the railroads might be permitted to violate the Sherman Anti-trust Act and at the same time through his great power initiated the fight to arm the Attorney General's office with money to prosecute the labor unions of the county for violating the anti-trust law their offence simply being to organize to better their present conditions."

"We will have the Sixty-second Congress," concluded Mr. James, "and will at once put to work the nine great investigating committees and they will unearth a condition of affairs that will startle the nation. We will pass through the House a real tariff reform measure, and I believe the 'insurgents' Republicans and the Democrats together can pass it through the Senate and it will be up to Mr. Taft. Our slogan is: Turn on the Light; Turn the Rascals out; Turn Over the Books."

Mr. E. B. Moore presented us with a fine beet Monday measuring twenty-one inches in circumference and weighing five and one quarter pounds. The beet is a beauty, perfect in shape and solid.

FAMILY TROUBLES END IN MURDER

Kentucky Man Kills Hotelkeeper
In Arkansas Town Saturday
Night

Little Rock, Ark., July 26.—Under pretense that he had sold out and was going to return to Kentucky, Eli J. Eaton went to the hotel at Searcy, Ark., where Marion Bateman boarded, Saturday night, ostensibly to say good-by; called Bateman from his room, and asked him to go downstairs. Stepping behind, Eaton fired six shots into Bateman's body, the victim rolling to the foot of the stairs and dying thirty minutes later. Eaton surrendered and is now in jail at Marshall.

Eaton came originally from Marion, Ky., and the tragedy is said to be the outgrowth of a family affair.

BAD DREAMS

Nightmare, Restlessness and Night-sweats all Caused by Indigestion

Half of the nervousness in the world, all of the disturbing dreams and nightmares can be ended in a few weeks by a simple, inexpensive treatment.

Upset stomach is the cause of nervousness and bad dreams. Your food is lying in your stomach undigested and fermenting; it is forming poisonous gases which irritates the pneumogastric nerve that leads direct from the brain; and ends in a network of tiny branches running through the stomach.

It is also the irritation of this great pneumogastric nerve that causes headaches. Many times people have severe headaches, and know they are caused by the stomach, but do not know in what manner.

If you are nervous have dreams or nightmare, and do not sleep sound at night, get a 50 cent box of Mi-o-na stomach tablets and take one or two after or with meals. They relieve distressed stomach in 5 minutes. Sold by druggists everywhere and by Haynes & Taylor who guarantees them to cure indigestion or money back.

A GOOD WAY TO USE HYOMEI

Besides breathing through the inhaler a few times a day, many catarrh sufferers write that they find inhaling Hyomei from a bowl of steaming water each night before retiring a great aid in curing stubborn cases.

Try in; it's very simple; gives quick relief and makes you breathe easier.

Fill a bowl half full of boiling water pour into the water a half teaspoonful of Hyomei, cover head and bowl with a towel and breathe through nose and mouth the medicated antiseptic and healing vapor that arises.

This method relieves that stuffiness at once and makes your head feel clear.

You can get a bottle of Hyomei at druggists everywhere or at Haynes & Taylor's for only 50 cents. Ask for extra bottle of Hyomei Inhalant.

But bear in mind if you want a Hyomei inhaler you must buy a complete outfit which only costs \$1.00.

But as stated before; if you already own an inhaler a bottle of Hyomei costs but 50 cents.

Hyomei is guaranteed by druggists everywhere and by Haynes & Taylor cure catarrh, sore throat, coughs, cold, rose fever, asthma and croup, or money back. Try it on that generous basis.

C. B. Hina left yesterday with his son, Ivan for Evansville to have an operation performed on his throat.

SOMETHING FOR HEADACHE

Nothing else, aside from money, is so universally sought for as a cure for headache. Headache powders are not safe and they give only temporary relief in any event. The chocolate-coated and capsule-shaped pills called Sherman's Headache Remedy and sold by all druggists and dealers at 10c 25c, are recommended as the best headache cure.

CRITTENDEN QUARTERLY COURT

Convened Monday With Judge
Earl Henderson Presiding and
a Rather Busy Court

While the court house bell was ringing, convening the Quarterly Court the commission as county Judge was handed Capt. Carl Henderson, whereupon he at once executed bond with Senator W. J. Deboe, A. J. Pickens and E. J. Hayward as sureties and with credit to himself and to the court presided over one of the busiest for some time.

The resignation of Judge Walter A. Blackburn was received with regret by the whole bar and the people and yet his friends were proud to know that in doing so, he and his county had been signally honored and a much more lucrative position given him as clerk of the United States Court at Paducah.

The following cases were called and continued:

J. N. Todd, vs T. N. Blackburn J. N. Todd vs D. J. McDowell Lan J. Waddell vs I. C. R. R. C. Brown vs I. C. R. R. J. L. Rankin's & Co., vs J. R. Frazier & Co.

In the cases of J. N. Todd vs James H. Travis, A. F. Franklin judgments were granted the plaintiffs.

In the case of W. T. Riley vs Geo. Conyer for \$90.00 involving a horse, cow, sow and pigs, in a trade, that was twice tried previously resulting in a hung jury both times, the jury returned a verdict for the defendant. The third time proved the charm and a case calling for more cost than the amount claimed has finally been disposed of.

In this case, as Judge Henderson stated he had filed this suit it was not proper that he should preside, the bar selected Hon. Jno. W. Blue who presided in the case to the satisfaction of all.

THE WAY OF THE TRANS- GRESSOR IS HARD

RESOLUTIONS

Whereas Hon. Walter Blackburn has resigned as County Judge of Crittenden county and as Judge of Crittenden Quarterly Court.

And feeling that some record of our appreciation of his courtesy and kindness to the members of the bar and litigants is due him.

It is therefore resolved that we regret that he has resigned as Judge, but are glad of his good fortune in being called to a higher, more honorable and more lucrative position.

And that in our practice before him we have found him always to be kind and courteous to us as attorneys and to the litigants in his court and fair and impartial in his rulings.

That these resolutions be spreadupon the records of this court and a copy furnished to Judge Blackburn and also given to the Record-Press for publication.

Dr. Frazer Does Some Swimming with Two Horse Rig

Dr. Frazer was called to the country Tuesday morning and in the interval the "flood came" causing Crooked Creek to rise to an unusual depth, and on his return the Doctor thought as he had crossed at flood-time before he could this time and stared in driving his two horses and about the first thing he knew the horses were swimming in the swift current, the buggy on the bottom and the water nearly to his arms, and with the presence of mind of an old ship master in a storm and singing as best he could with the chilly waters around him, "I Want to Cross Over in the Camp Ground" he made it safely with only the loss of his medicine case and other things in the buggy. The horses were forced to swim 20 yards, or more.

ALL SKIN DISEASES

Yield readily to treatment with Dr. Bell's Antiseptic Salve. We guarantee it. 25c a box. Sold every.

HOW TO CURD 'DODDER, PIMPLES, AND DANDRUFF

We desire to say that when we first saw the agency for Zemo, we were convinced that it was a valuable remedy for dandruff, pimples, and skin diseases. We must frankly admit that we have not yet exceeded our expectations. It is a treatment for skin diseases. We are pleased to state that we shall continue the agency as Zemo has given splendid results wherever recommended. Our customers like Zemo too, because it is a clean vegetable liquid for external use.

Zemo effects its cures by drawing to the surface of the skin and destroying the germ life that causes the disease, leaving the skin clear and healthy. It does not soil the clothing or can be used freely on infants.

With every purchase, we give a booklet on skin diseases explaining in simple words how any person can be cured at home of any form of skin or scalp disease by this clean, scientific remedy. **J. Haynes & Taylor Druggists.**

Free Sample Aids Old Men

The sudden change from years of activity of both body and mind to the quiet of later years causes the human system to undergo many changes, chief of which is in the digestive organs.

It becomes harder and harder to get the bowels to move from an irregular and in consequence many elderly men suffer not only from the usual trouble, constipation, but from indigestion, headache, dizziness, sour stomach, drowsiness after eating and similar annoyances. It is first of all necessary to keep the bowels open and then to tone the digestive muscles so as to get them to again do their work naturally. A violent cathartic or purgative is not only unnecessary but harmful, and something mild will do the work just as well.

After you have got through experimenting with salts and pills and waters of various kinds, and have become convinced that they do only temporary good at best, then try Dr. Caldwell's Syrup Pepsin, a mild, gentle, pleasant-tasting laxative tonic that is especially adapted to the requirements of old people, women and children, and yet is effective enough for anybody. Your druggist, who has handled it successfully for a quarter of a century, will sell you a bottle for fifty cents or one dollar, but if you want to make a test of it before spending any money send your name and address to Dr. Caldwell and he will gladly send you a sample bottle free of charge.

This remedy is rapidly displacing all other forms of medication for the cure of stomach, liver and bowel trouble, and families like Mr. C. F. Wisler of Evansville, Ind., and Mrs. Carrie Cutler of 325 N. Notre Dame street, South Bend, Ind., are now never without it in the house. They have tested it and know its great value to every member of the family. Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R. 200 Caldwell building, Monticello, Ill.

How often do you eat this food?

A short time ago there appeared in the columns of one of the prominent magazines an article on building brain and muscle by the proper selection of the foods you eat.

A good many people were surprised to find oatmeal placed at the top of the list of foods recommended; but if the article had appeared in an English or Scotch paper every reader would have expected to see first place given to good oatmeal.

As a matter of fact Great Britain and Europe come to us for tremendous quantities of Quaker Oats because it represents to them perfect food, being the richest in flavor and best in cleanliness and purity, of all oatmeals.

Convenience and economy are served by the way it is packed—regular packages 10c, and in hermetically sealed tins for hot climates.

TRY THIS FOR CATARRH

Get a Hyomei (pronounced High-o-mei) Outfit to-day.

Put a few drops from the bottle in to the inhaler that comes with each outfit, and breathe in 4 or 5 times a day.

Immediately you will know that Hyomei soothes and heals the inflamed and irritated membrane.

But Hyomei does more than soothe and heal it kills the germs, those persevering pests, that are at the root of all catarrhal conditions.

"Last year I suffered terribly with catarrh. I used one bottle of Hyomei and my catarrh was better."—Miss Helen McNair, Loyalton, Cal.

A complete Hyomei outfit, including a bottle of Hyomei, a hard rubber pocket inhaler and simple directions for use, cost only \$1.00. If you now own a Hyomei inhaler, you can get an extra bottle of Hyomei for only 50 cents at druggists everywhere and at Haynes & Taylor's.

Guaranteed to cure catarrh, croup, asthma and sore throat, or money back.

NOTICE

To whom it may concern: This is to certify that I treated Mrs. Nellie Stoval while in Toppenish and she did not have smallpox neither has there been a case of smallpox in Toppenish in the past ten months during my stay here. Respectfully,

DECIDE YOURSELF

The opportunity is here. Backed by Marion testimony.

Don't take our word for it. Don't depend on a stranger's statement.

Read Marion endorsement. Read the statements of Marion citizens.

And decide for yourself.

Here is one case of it: A. H. Fritts, Depot St., Marion, Ky., says: "I know Doan's Kidney Pills to be an effective and reliable kidney remedy. For some time I had an extreme lameness in my back and sharp cricks caught me when I arose from a stooped position. The kidney secretions were also irregular in passage and I felt miserable in every way. Doan's Kidney Pills, procured at Haynes & Taylor's Drug Store, were prompt in relieving me of all these annoyances. I have no hesitation in giving this remedy my highest endorsement."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Misses Etta Norine and Sarah Montague of Evansville, Ind., and Mary T. Riddle of Sebree, are guests of their grandparents, Mr. and Mrs. A. J. McMullen.

AN AWFUL RECORD.

Every year thousand of men and women die of kidney disease who might have been cured if its presence had been discovered in time and a prompt treatment with Kidnets adopted. If you have backache, kidney trouble or other symptoms of kidney disease, begin using Kidnets immediately. Druggists and dealers sell it for 50 cents.

BIG YIELD

The Morganfield Sun reports a fine yield of wheat in Union county. Squire McElroy 46 bushels to the acre from two acres and 44 bushels average on his whole field.

WOMEN'S BEAUTY

Imperfect Digestion Causes Bad Complexion and Dull Eyes.

The color in your cheeks won't fade, the brightness in your eye won't vanish, if you keep your stomach in good condition.

This was the advice of a prominent physician to a woman's club in Boston and it is good advice.

Belching of gas, heaviness, sour taste in mouth, dizziness, biliousness and nausea occur simply because the stomach is not properly digesting the food.

The blood needs nourishment to carry vigor, vim and vitality to every part of the body and when food ferments in the stomach enough nourishment is not supplied.

Mi-o-na stomach tablets give instant relief to upset stomachs, but they do more; they put strength into the stomach and build it up so that it can easily digest a hearty meal without giving its owner hours of misery.

Mi-o-na is sold by druggists everywhere and by Haynes & Taylor at 50 cents a large box. It is guaranteed to cure indigestion or any stomach distress or money back.

Hoping to see all of you soon and thank you in person for all you have done for me. I remain

IT GROWS HAIR

Here Are Facts We Want to prove at Our Risk

Marvelous as it may seem, Rexall "93" Hair Tonic has grown hair on heads that were once bald. Of course, in none of these cases were the hair roots dead, nor had the scalp taken on a glazed shiny appearance.

Rexall "93" Hair Tonic acts scientifically, destroying the germs which are usually responsible for baldness. It penetrates to the roots of the hair stimulating and nourishing them. It is a most pleasant toilet necessity, is delicately perfumed, and will not gum nor permanently stain the hair.

We want you to get a bottle of Rexall "93" Hair Tonic and use it as directed. If it does not relieve scalp irritation, remove dandruff, prevent the hair from falling out and promote growth of hair, and in every way give entire satisfaction, simply come back and tell us, and without question or formality we will hand back to you every penny you paid us for it. Two sizes, 50c. and \$1.00. Sold only at our store—The Rexall Store. Haynes & Taylor Drug Co.
